A brief history of LPS

About Us

Starting as an accounting, audit, and taxation services provider in 2018, we learned that LPS (Laurea People's Signature) would become the pioneering **B2B Martech Agency**. As businesses increasingly sought to enhance their digital presence, we expanded our services to include IT tech support, web development, and a diverse range of B2B marketing solutions.

Through a combination of analytics, audience targeting, and creative storytelling, a digital marketing agency helps businesses build their brand, reach new customers, and engage with existing ones meaningfully. We call ourselves the ambassadors of Technology because we believe in modifying everything with technological advancement and updated technical support.

The hidden secret of the company is a team of skilled professionals who are experts in their respective fields, including search engine optimization (SEO), advertising, website development, social media marketing, content marketing, IT technical support, and more. These specialists work together to create integrated marketing campaigns that maximize reach, engagement, and conversion on all your mainstream channels.

"Experience exponential growth and achieve your business's dream marketing goals with our data-driven strategies and expert team."

Vision & Mission

Vision

Our vision is to become the customer-centric Martech that offers diverse solutions merely on customer satisfaction. We strive to be at the forefront of technological advancements and use our expertise to help businesses navigate the rapidly-evolving digital landscape. With a deep commitment, expertise, and skillset, LPS strive to acknowledge the rapidly transforming changes in the world.

Mission

Our mission is to empower businesses to reach their full potential through innovative, updated strategies that provide proven results. We understand the motive, distinction, and target audience of different audiences and aim to deliver solutions that resonate with their customers and brand story.

A person in a business suit is standing in front of a large window, holding up the word "VISION" in large, bold, black letters. The window shows a bright sunset or sunrise with orange and yellow clouds. The person is silhouetted against the light from the window.

VISION

OUR SERVICES

As a fast-growing Martech company, we provide the following tailored and precise services

Digital Marketing

With continuous efforts, we provide social media management, business marketing, content marketing, content creation, conversion optimization and lead generation management.

Ecommerce Management

Your e-commerce store will thrive with our exceptional product and market research, strategy development, search engine optimization, e-commerce marketing, and ads management.

IT Technical Support

We provide expert-driven IT services, including IT consultancy, frontend & backend services, web portal and app development, custom software and API development with professional 24/7 assistance.

SEO and SEM Services

To ensure your website ranks top, we offer keyword research, competitor analysis, technical SEO audit, search engine marketing, and on-page/off-page optimization.

OUR SERVICES

Web Designing and Development

With well-curated skills, we offer top-notch e-commerce website development, landing page development, website designing, corporate website, video streaming website and 3D interactive websites.

Branding Management

To make your business visible and credible, we provide brand positioning, logo designing, brand marketing/communication, brand guideline and photoshoots/video shoots.

Ads Specialization

We choose the best budget and practical strategies to capture the new audience and potential customers with LinkedIn, Facebook, Instagram, TikTok and YouTube ads.

Our Core Objectives

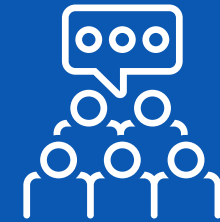

“Best results come with the strong objectives and determination.”

As a recognized IT technology, marketing and branding hub, our company has several core objectives that guide our work and drive our success.

Deliver Desired Results

Our primary objective is to deliver tangible results for our clients. We aim to help them achieve their goals and objectives, whether that's increased website traffic, higher conversion rates, or stronger brand awareness.

Drive Innovation and Creativity

We are committed to staying at the forefront of technological advancements and using the latest tools and techniques to deliver cutting-edge solutions. We continuously explore new ideas and approaches to help our clients succeed in the rapidly-evolving digital landscape.

Provide Personalized Service

We believe that every business is unique and deserves a customized approach. We strive to provide personalized services that are tailored to the specific needs and goals of each client.

Induce Collaboration

We view our clients as partners and believe that collaboration is key to achieving success. We aim to build strong, collaborative relationships that last for years to come.

Build Trust and Loyalty

We understand that trust and loyalty are essential to building long-term relationships with our clients. We aim to earn their trust through transparency, honesty, and a deep commitment to their success.

How We Work?

To never disappoint our customers, our work process is well-organized and accessible.

Step 1

At our agency, we take pride in our unique approach to working with clients. We believe that every client is different, and therefore requires a customized approach that is specifically designed to achieve their goals.

Step 2

Our process starts with a thorough understanding of our client's business, industry, and target audience. We conduct extensive research to gain insights into their customers' needs and behaviors, as well as their competitors' strategies and tactics.

Step 3

Once we have a clear understanding of our client's situation, we develop a comprehensive branding and marketing strategy that is designed to deliver results. We work closely with our clients to ensure that their goals and objectives are reflected in the strategy, and that they are fully aligned with the overall business strategy.

Step 4

Our teams of IT, branding and marketing then gets to work, executing the strategy with precision and attention to detail. We use a range of techniques, including SEO, PPC, social media marketing, email marketing, and content marketing, to deliver the desired results.

Why is Laurea People's Signature Winning Customer's Hearts?

Since there are thousands of digital marketing agencies providing multiple services, we always stood at the top due to the following reasons;

Firstly, we are one-stop solution offering IT, development, branding and marketing. We believe in staying up-to-date and positively integrating technology advancement into our strategies.

With an ethical commitment to transparency and communication, we indulge clients every step of the way. We believe that trust and honesty are crucial to building long-term relationships.

We stand out with the constant support and efforts of our experienced professionals dedicated to providing personalized and tailored services.

Lastly, we implement a customer-centric approach and strategies with commitment and years of experience to deliver the quality our customers expect from us.
